COUNTY RURAL ELECTRIC)	
COOPERATIVE CORPORATION)	CASE NO. 8073-C
FROM NOVEMBER 1, 1981, TO)	
APRIL 30, 1982)	

O R D E R

Pursuant to 807 KAR 5:056, Section 1(11), the Commission issued an Order on April 28, 1982, requiring Jackson County Rural Electric Cooperative Corporation ("Jackson County") to notify its customers of a hearing to be held on July 15, 1982. Jackson County was not required to appear at the scheduled hearing unless an appearance was requested by the Attorney General's Division of Consumer Protection or other interested parties, or by the Commission on its own motion. Following proper notice, no party of record requested Jackson County to appear at the hearing scheduled for July 15, 1982.

Jackson County filed an affidavit stating its compliance with the Fuel Adjustment Clause. Jackson County has also filed its monthly fuel charges for the 6-month period under review.

After reviewing Jackson County's monthly Fuel Adjustment Clause ("FAC") filings, the Commission found various filing

errors. These filing errors resulted in an overstatement of Jackson County's recoverable fuel costs of \$16,442.51. The Commission is of the opinion that Jackson County should adjust its next monthly FAC filing by \$16,442.51.

The Commission is of the opinion that a procedure should be established for setting dates for future Fuel Adjustment Clause hearings to improve the planning process for all parties. Therefore, the Commission concludes that future Fuel Adjustment Clause hearings should be held on the third Thursday of the third month following the end of the period under review. Thus, since the periods under review end in April and October, hearings will be held in July and January.

The Commission, after examining the evidence of record and being advised, finds that:

1. With the exception of filing errors discussed herein, Jackson County has complied in all material respects with the requirements of 807 KAR 5:056.
2. Jackson County should adjust its next monthly FAC filing by \$16,442.51 to correct previous filing errors using a separate line item as shown in Appendix A.
3. The date of the 2-year review hearing should be fixed at the conclusion of this proceeding. 807 KAR 5:056, Section 1(12).

IT IS THEREFORE ORDERED that Jackson County shall adjust its next monthly FAC filing by \$16,442.51 using a separate line item as shown in Appendix A.

IT IS FURTHER ORDERED that the next Fuel Adjustment Clause hearing in Case No. 8606, for the purpose of examining the application of the Fuel Adjustment Clause from November 1, 1980, to October 31, 1982, be and it hereby is set for January 20, 1983, at 9:00 a.m., Eastern Standard Time, at the Commission's offices in Frankfort, Kentucky, and Jackson County shall give proper notice to its customers of the date, time, place and purpose of the hearing.

Done at Frankfort, Kentucky, this 28th day of September, 1982.
